

BK CA PO 001-02 | Validity: 28/12/2020

SAFETY POLICY

In order to carry out the sorting and packing of grains, Bullmark has established the following guidelines:

- Ensure the safety of our products.
- Ensure the safety of our employees.
- Train all the staff ensuring competence in food safety.
- Comply with legal and regulatory requirements, including mutually agreed customer requirements
- Establish fluid internal and external communication channels.
